About Us

Company overview, vision, mission, and specialized capabilities

Who We Are

Specialist Aluminium Fabrication & Installation Since 2016

Madinat Al Saada Aluminium & Glass Works LLC, established in 2016 in Ajman, UAE, is a specialist aluminium fabrication and installation company with a decade of experience in the UAE facade industry. Operating from our dedicated **2,500 sqm production facility** in Ajman Industrial Area, we deliver end-to-end aluminium and glazing solutions — from factory fabrication to on-site installation.

We have built our reputation as both an **independent specialist** and a **trusted execution partner** for tier-1 facade contractors including National Aluminium LLC (GINCO Group), Prime Metal Industries, and Al Qassim Aluminium & Glass. Our portfolio spans landmark UAE projects — from high-rise towers in Dubai Marina and Sheikh Zayed Road to luxury villa communities in Dubai South, Tilal Al Ghaf, and Sharjah.

2016 ESTABLISHED	2,500 FACTORY SQM	109+ WORKFORCE	16 MAJOR PROJECTS	3 ISO CERTIFICATIONS
----------------------------	-----------------------------	--------------------------	-----------------------------	--------------------------------

Vision

To be a leading aluminium and glazing specialist in the UAE, delivering world-class facade solutions through precision engineering, innovation, and trusted partnerships.

Mission

To provide high-quality aluminium fabrication and installation services that exceed client expectations, through strict quality management, a skilled and dedicated workforce, and an unwavering commitment to safety, sustainability, and continuous improvement.

9001 Quality Management 2025 – 2026	14001 Environmental Management 2025 – 2026	45001 Health & Safety 2025 – 2026
--	---	--

Specialized Areas of Work

Unitized Curtain Wall	Hinged & Turn-and-Tilt Windows
Stick Curtain Wall (Conventional & Non-Conventional)	Louver Panels (Standard, Fire-Rated, Motorized)
Aluminium Composite Panel (ACP) Cladding	Glass Partitions & Shower Enclosures
Skylights	Automatic Doors (Remote & Revolving)
Balustrades & Handrails	Rolling Shutters & Security Grills
Swing, Hinged & Sliding Doors	Gates & Other Products
Sliding Windows & Doors	Powder Coating (PE-SDF by Jotun)

QHSE Policy Statement

Madinat Al Saada Aluminium & Glass Works LLC is committed to achieving excellence in Quality, Health, Safety, and Environmental management across all our fabrication and installation operations.

Quality (ISO 9001:2015)

We deliver products and services that consistently meet or exceed client requirements and applicable regulatory standards. Through our QMS, we ensure continuous improvement from raw material procurement through fabrication to final installation. Regular internal audits, management reviews, and client feedback analysis drive quality performance.

Health & Safety (ISO 45001:2018)

The health and safety of our employees, subcontractors, and all stakeholders is our highest priority:

- Safe and healthy working conditions to prevent work-related injury and illness
- Mandatory PPE on all sites and in the factory
- Regular safety inductions, toolbox talks, and training programs
- Strict working-at-heights protocols and fall prevention measures
- Comprehensive Workman Compensation insurance for all employees
- Incident investigation, reporting, and corrective action implementation

Environment (ISO 14001:2015)

- Responsible waste management and recycling of aluminium offcuts and packaging
- Efficient use of energy and natural resources in production
- Compliance with all applicable environmental laws and regulations
- Continuous improvement of environmental performance

This policy is communicated to all employees and reviewed annually.

Our Facilities & Production Capabilities

Factory overview, equipment list, and machinery

Factory Overview

2,500 sqm Production Facility — Ajman Industrial Area

Our factory is fully equipped with state-of-the-art machinery for aluminium profile cutting, CNC machining, frame assembly, crimping, cladding panel fabrication, and structural silicone bonding. The facility handles multiple projects simultaneously with organized production lines and dedicated quality inspection areas.

Equipment List — 17 Machines

#	EQUIPMENT	MODEL / MAKE	TYPE	YEAR	ORIGIN	QTY
1	Aluminium Cutting Machine	EMMEGI D/H	Classic Magic 500 TU/S	2003	Italy	1
2	Aluminium Cutting Machine	EMMEGI D/H	Classic VIS 500 TU/S	2005	Italy	1

05

System Experience & Expertise

International aluminium systems we work with

System Experience & Expertise

Our team has extensive hands-on fabrication and installation experience across all major international aluminium system providers.

Sykon

German aluminium system provider. Extensive hands-on experience in curtain wall, window, and door fabrication & installation across multiple UAE projects.

AluK

Italian aluminium systems. Proficient in AluK 58BW and GT55 series for high-performance windows, doors, and curtain wall applications.

ALUMIL

Greek aluminium systems. Experience with M11000 series and S77 profiles for commercial and residential facade systems.

Gulf Extrusion

UAE-based aluminium profile supplier. Deep familiarity across multiple residential and commercial projects throughout the Emirates.

Gutmann

German high-quality aluminium system provider, founded 1937. Experienced in Gutmann window, door, and curtain wall systems for residential and commercial facade applications.

Technal

French aluminium systems by Hydro. Proven track record in Technal profiles for commercial and residential applications.

Schuco

German premium facade systems. Working knowledge of Schuco FWS and ASS series for curtain walls and sliding systems.

Gulf Extrusion + All Local Systems

Comprehensive experience with Gulf Extrusion profiles and all locally available aluminium systems in the UAE market, ensuring flexibility and compatibility across diverse project requirements.

APPROVED SUPPLIERS: Gulf Extrusion (UAE) • Sykon (Germany) • AluK (Italy) • ALUMIL (Greece) — certified manufacturers with reliable guarantee systems and strict quality control on raw materials.

06

Projects List

Ongoing and completed aluminium & glazing projects across the UAE

Projects Overview

Madinat Al Saada has successfully delivered aluminium and glazing works on a diverse range of projects across the UAE — landmark high-rise towers, luxury villa communities, and commercial developments.

Ongoing Projects

#	PROJECT	LOCATION	SCOPE	MAIN ALUMINIUM CONTRACTOR
1	Marina Shores Tower	Dubai Marina, Dubai	Installation — Curtain Wall, Sliding Door/Window	National Aluminium LLC
2	Saadiyat Innovo	Saadiyat Island, Abu Dhabi	Fabrication — Curtain Wall, Door, Window	National Aluminium LLC
3	Expo Valley	Expo City, Dubai	Fabrication & Installation	National Aluminium LLC

Completed Projects
